

Irlam & Cadishead Volunteer Driver Scheme

Many of us have to deal with the effects of a cancer diagnosis at some point in our lives. At such times the pressure of having to travel to multiple hospital appointments can be tiring, time consuming and expensive.

The Irlam & Cadishead Volunteer Driver Scheme is here to help by providing FREE transport to hospital. Our volunteer drivers will pick you up and take you to your appointment and then ensure you get back home as soon as possible.

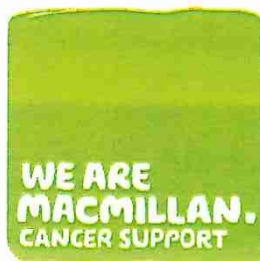

The Volunteer Driver Scheme would like to thank all their generous sponsors who have made this scheme possible. The scheme has also been supported by:

Salford Royal 
NHS Foundation Trust

University Teaching Hospital

Here to help **YOU**

How the scheme works

If you live in Irlam or Cadishead and are receiving treatment for cancer, we will take you to your appointment and drive you back.

Just ring the Volunteer Driver Scheme on:

0161 918 7804

Our drivers are available from
9am - 5pm Monday to Friday

All our drivers live locally, so someone will be allocated to pick you up from your own home at a pre-arranged time, to get you to the hospital in plenty of time.

This service is run by volunteers, so it is free to you and takes the weight off family and friends, saves taxi fares and long rides round the area in an ambulance.

Volunteering

We are always on the lookout for new volunteers so if you think you may be able to help give us a call.
